

# MOTOROLA CLP TWO-WAY RADIO

COMFORTABLE. LIGHTWEIGHT. PORTABLE.

# START A WHOLE NEW CONVERSATION WITH STYLE AND EASE

Now your team can stay connected with the productivity tool that combines comfort, durability, and simplicity. The Motorola CLP Two-Way Radio is the sleek radio that gets the job done without getting in the way.

Designed specifically for retail, hospitality, and restaurant environments, CLP is small and lightweight, with simple one-button, push-to-talk operation. Clear, strong audio makes communicating easy in noisy environments, and the durable design and long battery life will stand up to the everyday wear and tear of your fast-paced business.

All this performance is packaged in a sleek, contemporary design. Flexible carry options let you wear CLP on a belt or a versatile magnetic clip, giving you the comfort and freedom to match your style and workplace environment.

Your customers demand rapid response and superior customer service. Now you can deliver it with style and ease. CLP allows your team to stay connected, reduce errors, and respond quickly to other team members, customers or guests. Motorola CLP—it's productivity with personality.

# MOTOROLA CLP ACCESSORIES

## ENHANCE FUNCTIONALITY AND PERFORMANCE.

Motorola Original accessories will make you and your CLP even more productive. A variety of carry options, earpieces, batteries, and chargers enable you to create the communications system that works best for you and your team.

### CARRYING ACCESSORIES

Flexible carrying options give you the freedom to wear CLP your way. The belt-clip holster is so light you won't even know it's there. A unique magnetic carry case allows CLP to be worn anywhere; on your lapel, dress shirt pocket, or snapped on your waist.

### EARPIECES

CLP must be paired with an audio accessory. A variety of comfortable earpieces provide loud, clear audio and accommodate the way you like to work. The wired earpiece comes with an easy-access push-to-talk button. Motorola's unique Bluetooth Accessory Kit, available on select models offers a professional and comfortable Bluetooth solution that minimizes the hassles of wires and makes it easy to get the job done.

### BATTERIES

The standard Li-Ion battery is designed for 9 hour performance. For even longer shifts, a high capacity Li-Ion battery will provide up to 14 hours of service.

### CHARGERS

This revolutionary, clean design provides rapid charging of your Motorola CLP. A Multi-unit charger allows you to conveniently charge up to six Motorola CLPs simultaneously. The charger is designed with a back pocket to store your earpiece while the unit is charging, and can be mounted on the wall if space is at a premium.
